Landing page

The screenshot shows a web browser window with the URL `localhost:8080/springmvc_demo_war/customer/list`. The title bar reads "CRM - Customer Relationship Manager". Below the title, there is a button labeled "Add Customer". A table titled "Customer List" displays columns for First Name, Last Name, Email, and Action. The "Action" column contains a single entry: "Delete".

Add a new customer - form

The screenshot shows a web browser window with the URL `localhost:8080/springmvc_demo_war/customer/showForm`. The title bar reads "Spring MVC 5 + Hibernate 5 + JSP + MySQL Example". Below the title, there is a form titled "Add Customer" with fields for First Name, Last Name, and Email, and a "Submit" button.

Add a new customer - result

The screenshot shows a web browser window with the URL `localhost:8080/springmvc_demo_war/customer/list`. The title bar reads "CRM - Customer Relationship Manager". Below the title, there is a table titled "Customer List" showing a single row with the following data:

First Name	Last Name	Email	Action
Jia	Xu	xujia118@hotmail.com	Update Delete

Update user - result

The screenshot shows a web browser window with the URL `localhost:8080/springmvc_demo_war/customer/list`. The title bar says "CRM - Customer Relationship Manager". Below the title is a button labeled "Add Customer". The main content area is titled "Customer List" and contains a table with four columns: First Name, Last Name, Email, and Action. The table has one row with the data: Jiajia, Xu, xujia118@hotmail.com, and an "Update | Delete" link. The browser's address bar and various icons are visible at the top.

Delete user – pop up

The screenshot shows a web browser window with the URL `localhost:8080/springmvc_demo_war/customer/list`. A modal dialog box is centered over the page, containing the text "localhost:8080 says" and "Are you sure you want to delete this customer?". Below the text are two buttons: "Cancel" and "OK". The background of the browser shows the CRM application's customer list page, which is identical to the one in the previous screenshot.

Delete user – result

The screenshot shows a web browser window with the URL `localhost:8080/springmvc_demo_war/customer/list`. The title bar says "CRM - Customer Relationship Manager". Below the title is a button labeled "Add Customer". The main content area is titled "Customer List" and contains a table with four columns: First Name, Last Name, Email, and Action. The table is currently empty, showing only the column headers. The browser's address bar and various icons are visible at the top.
